The image shows the interior of a Gulfstream G550 aircraft cabin. The view is from the forward galley area looking down the aisle. On the left, there is a long granite countertop with a glass display case containing various glassware. On the right, there is another granite countertop with a built-in oven and a sink. The cabin walls are finished with dark wood paneling. In the background, there are several rows of cream-colored leather seats. The floor is covered with a patterned carpet. The lighting is soft and even, highlighting the luxurious interior.
